

LOVEWELL POND ASSOCIATION ... DUES FORM ...JUNE 2023

A Note To The Membership: Your dues and your donations are invaluable in supporting the many programs that keep the lake healthy and clean. The Invasive Plant Program is paramount in helping to fund the Courtesy Boat Inspections at the Boat Ramp. Did you know that one of our inspectors found a very harmful invasive plant on a boat trailer last year...also an invasive snail...Had the invasive plant launched into the lake, it could have been devastating and choked the lake with the spread of more invasive plants. The remediation program to remove invasive plants is time consuming and very costly. Your dues and donations are critical in continuing to fund the Courtesy Boat Inspections and other key lake initiatives..ie. plant surveys, loon and wildlife programs. The Lovewell Pond Association is a registered 501©(3) tax exempt non-profit organization. Thank you for your kind consideration and support. It is appreciated.
